

wish WOMEN AND INFANT
SUPPORTIVE HELP

The **WISH Program** gives ongoing, positive support through one-on-one home visitation, peer support, and education for those who are pregnant or parenting.

YWCA IS ON A MISSION

eliminating racism
empowering women

ywca

Kalamazoo

Women and Infant Supportive Help (**WISH**) is a personal visitation program that keeps families engaged after pregnancy and empowers participants to make decisions about their own health and of their children ages 0-2 years.

ELIGIBILITY

ANY expecting or current parent, of any family type or orientation, with children (0-1).

SPECIFIC SERVICES

- Family Centered Services
- Peer and Social Support Classes
- Prenatal and On-going Education
- Care Coordination

WISH is committed to reducing infant death among babies of color.
